Delta Award

Dear Sponsors:

Several years ago, your Board of Directors instituted the ΣΤΔ Delta Award to recognize outstanding service to the international organization. The recipient is selected by the Board and announced at the annual spring convention. No more than one nominee may be selected each year—making this an especially prestigious honor.

Procedures: Persons eligible for the award must have served at multiple levels of the Society, including participation beyond the chapter level in such positions as Sigma Tau Delta Board committees or on the International Board. The member must not have served on the International Board for three years prior to the convention at which the recipient is announced.

Letters of nomination should be accompanied by supporting materials describing the contributions of the nominee; these should be mailed to the following address before the deadline, November 6:
