Guidelines for Panel Proposals
We encourage students, faculty sponsors, and Alumni Epsilon chapter* members to propose panels on topics of general interest to both the discipline and the society. Panel presentations will be 75 minutes in length and might consider such topics as chapter activities, service projects, service learning, graduate school and/or career options, pedagogical issues surrounding canon formation or assessment, etc.; that is, topics that can best be explored in interactive, round-table discussions. Panels are not meant to be sets of correlated essays. For assistance in developing panel proposals, please contact Convention Chair, Gloria J. Hochstein, at HOCHSTGJ@uwec.edu.

Instructions: Student panelists must be members of Sigma Tau Delta or Sigma Kappa Delta (i.e., must be enrolled as students at an institution with an active ΣΤΔ or ΣΚΔ chapter or be members of the ΣΤΔ Alumni Epsilon chapter*).
