

Application for Associate Alumni Representative

To assist the Alumni Representative to represent the voice of the alumni members of Sigma Tau Delta (i.e., members who are no longer students), the Board of Directors has created the Associate Alumni Representative position. The Associate Alumni Representative is elected by Alumni Epsilon members during the alumni caucus at the annual international convention in the spring (www.englishconvention.org). All candidates must be a member of the Alumni Epsilon Chapter. (Applicants may join at the convention if not already a member.) Please bring this application to the alumni caucus.

Duties of Associate Alumni Representative (AAR)

The Associate Alumni Representative (AAR) primarily assists the Alumni Representative (AR). Specifically, the AAR contributes to and aids in the production of a quarterly newsletter created by the AR (including writing at least one article per newsletter), helps the AR to promote Alumni Epsilon membership and community among alumni, assists the AR to contribute an article to each national newsletter, and contacts the Chair of the Alumni/International Committee and the AR at least once a month. Complete position duties are listed at <http://english.org/sigmatd/leadership/>.

Name _____

Name under which you were inducted (if different) _____

Street Address _____

City _____ State _____ ZIP Code _____

Telephone _____ Email Address _____

Chapter into which you were inducted _____ Semester/Yr Inducted _____

College/University _____ Year of Graduation _____

Current Profession _____

Year Joined Alumni Epsilon Chapter _____ (Applicants may join at the convention.)

Please respond briefly below and be prepared to speak specifically to the following four points at the alumni caucus:

1. How would you promote membership?

2. How would you promote community among a diverse membership?

3. How would you utilize electronic resources in performance of your duties, especially as it relates to communication?

4. Based on your knowledge of electronic newsletters, what vision do you have for an Alumni Epsilon edition?
